Errol Lee at OLA!

February 2003

To Whom It May Concern:

What an amazing presentation!

Errol Lee was at our school on January 30th for our whole school population to see him bring together a message of conflict resolution, peer relationship and anti bullying mixed with dynamic music.

Errol's ability to understand his audience, from our youngest to our senior grades, is truly a gift. He had them up on their feet and singing enthusiastically.

Errol was able to bring in some of the ideas initiated at the school and incorporate it into his presentation.

The message is powerful because it comes through with the music. The students would have liked for him to have extended his performance for at least another hour!

I was so impressed with Errol's songwriting abilities that I have asked him to create a song for our school.

I would recommend him for any event you are having in your school.

In fact, I can't wait to have him back next year!

Sincerely,

Franco Rizzi
